

River Country

Land and Water: A Series of Fortunate Events

The following events are for all who are interested in finding friendship, enjoyment and new ways to ensure the land and waters of River Country remain clean and beautiful.

~ Events Coming Soon ~

April 22, Global Youth Service Day, Saturday, 9 am-1 pm

Join Newaygo County Parks to plant trees at Sandy Beach Park (North of Hardy Dam just off Elm Street) 6926 30th St., White Cloud. Meet at the Pavilion. Register by contacting Wendy at wendys@co.newaygo.mi.us.

May 28, Karner Blue Butterfly Hike, 2 pm, Sunday

Witness these endangered butterflies in their natural environment. Prepare for easy to moderate hiking. Long pants & high top boots recommended. Meet at Michigan Nature Association Sanctuary corner of Croton Dr. and Spruce Ave. Rain date is May 30, 2 pm. Contact Randy at: nipp.edrr@gmail.com for information.

June 9, Native Plant Workshop and Sale, 1-6 pm, Friday

Native plant workshop will be held from 1-3pm in Kropscott classroom (white building), then, purchase native plants from 3-6 pm at the Kropscott Environmental Center, 6523 West Baseline Rd., Fremont. Call the Newaygo Conservation District at 231-225-3072 for pre-orders and information.

June 9, Native Plant Sale, 3-6 pm, Friday

Join the Soil Conservation District for their annual native plant sale at Kropscott Farm Environmental Center, 6523 W. Baseline Rd. Fremont, MI. Contact Rosa for information at 231-225-3072. A great way to go native!

June 10, Fun Paddle, Saturday

Join the Muskegon River Watershed Assembly for a fun paddle on the river. Contact Pat at 231-591-2334 to register.

June 19, Invasive Species Update – brown bag lunch, 11am Mon.

Learn about aquatic invasive species and how you can help prevent their spread in Newaygo County lakes. Contact Randy at nipp.edrr@gmail.com for information.
